

## **DUNDEE PRECIOUS METALS LAUNCHES NEW WEBSITE AND COMMENCES DAILY PRICING**

**February 11, 2002** – Dundee Precious Metals Inc. (TSE stock symbol: DPM.A; DPM.WTA) is pleased to announce the launch of our new website. We anticipate that the website will be an important source of information to shareholders, analysts and potential investors.

Also beginning today, the frequency with which the Dundee Precious Metals portfolio is priced will be increased from weekly to daily. The previous day's net asset value per share ("nav") of the Dundee Precious Metals portfolio will be posted on our website each morning and distributed to numerous news services and newspapers across the country.

Please visit our new website at [www.dundeeprecious.com](http://www.dundeeprecious.com) which will feature Dundee Precious Metal's current nav, stock price, spot gold price, top ten portfolio holdings, news releases and financial reports.

Dundee Precious is a Toronto Stock Exchange listed investment company, managed by Dynamic Mutual Funds Ltd., a subsidiary of Dundee Wealth Management Inc., providing investors with an opportunity to participate in a portfolio consisting primarily of precious metals related investments with the principal objectives of capital appreciation and the provision of a hedge against long term inflation.
